VISION

“TO BE AN INTERNATIONALLY ACCLAIMED
ORGANISATION IN PUBLIC FINANCIAL
MANAGEMENT”

MISSION

- To be the central repository for disseminating financial information;
- To harness the power of Information Technology in achieving the vision;
- To re-invent the systems and procedures for delivery of financial Management services to all the stakeholders;
- To develop new paradigms of internal audit so as to improve transparency and accountability and thereby lead to good governance;
- To have a strong human resource management for motivating personnel to achieve professional excellence in their duties and responsibilities.
