

NO. CGA/ITD/Bhavishya/2014/2974-3008
Government of India
Ministry of Finance, Department of Expenditure
Controller General of Accounts

Dated, 29 March 2016

OFFICE MEMORANDUM

Sub.: Upgradation of COMPACT with latest Upgrade release – uploading of data on e-lekha.

After commencement of payment on PFMS portal for non-plan expenditure, it was not mandatory for the PAOs which are on board PFMS to prepare Daily Account Abstract file (DAA) in COMPACT and upload the same on e-lekha. Bhavishya software of Department of Pension & Pensioners Welfare gets updated pension data of COMPACT at the time of uploading of data on e-lekha. Various stakeholders can check the status of pension cases through the 'Bhavishya' software. Since DAA is not being prepared daily and uploaded on e-lekha, data is not getting reflected in Bhavishya Software. Therefore, it has been decided to make uploading of COMPACT data on e-lekha mandatory again so that 'Bhavishya' software could be updated regularly. You are therefore requested to advise all the PAOs under your control to update COMPACT with latest upgrade of 22-03-2016 immediately.

(Hanumaiah K.)
